## About us

**JAGRITI ART** is an awareness initiative showcasing quality art from the house of GMB Films (P) Ltd. It is a reliable source of contemporary and modern Indian Art. Jagriti Art Initiative has been instrumental in providing a proactive platform to emerging as well as established artists. It is also an ideal place for Art as gifts and Commissioned works of Art.

## Charity

**“Art with a Heart”** has been our sublime motto, and we have been actively involved in various community service initiatives - be it concern for the environment and the tribals in Sunderbans through Eco-Development Society (SEEDS), an NGO dedicated to wildlife conservation in the Sunderbans; or establishment of scholarship for meritorious students at St. Xaviers College, La Martiniere for Boys, Kolkata and Literacy India, New Delhi; or care for dementia and the aged with Dignity Foundation; or protection and welfare of the women and child orphans at Children and Mothers Welfare Society (CMWS) Bahrain - we have come forward and contributed to the best of our ability.

Besides contributing for creation of an Orphan Home for poor children with The Royal Society of St. George (under the British Deputy High Commission, Kolkata), a Library is also being set up by us for Piyali Learning Centre for poor girls, South 24 Parganas, West Bengal.

A portion of the proceeds of this show is being donated to **Adruta Children Home** which was established in the year 1992 to rehabilitate the unclaimed, deserted and parentless Children in Odisha.

# Creartivity-IV

The fourth edition of Creartivity moves to culturally rich State of **Odisha** – a land of enchanting beauty and flourishes of ancient traditions -in art, dance and artifacts. Be it Stone art on its temples, Wooden carvings, Appliqué arts or Patta paintings – age has not withered the beauty and dynamic diversity of Odisha’s traditional art and craft forms.

Odisha, today, has a vibrant artist fraternity experimenting in various medium of work – locally, nationally and globally. This exhibition brings together few of the brightest minds with their contemporaries and seniors from all across India on this common platform offered by Jagriti Art Initiative.

The show is an effort to create a visual dialogue through multilingual expressions as well as new imagery. This significant body of works reflects the nuances of contemporary ideas and the multi layered nature of both- form and substance-within the idea of artistic identity. Artists have embraced the opportunity to explore and experiment, duly delineating a fine process of evolution and re-invention - as the case may be.

The range and variety of works express a sensitive range of pertinent issues and subjects, demonstrating modes of depiction, range of styles and sublime aesthetics. The mere scale and impact of the works displayed by the emerging artists, demonstrate their untiring energy, skill and vivacity. A separate section also displays works of seniors whose vitality and ambitious range undoubtedly leaves an indelible mark on artists’ and art lovers alike.

A special word of gratitude & acknowledgment to Shri Anant Mahapatra, Shri K.V. Singh Deo, Shri R.K. Vedala, Smt Revati Pany & Mr Tarakanta Parida for their invaluable support to Creartivity - IV.
